Importance: High

Ted, Regal is in the process of reviewing your 8-page Rule 30(b)(6) Deposition Notice to determine what individual(s) will testify to the 12 identified topics. That will determine whether plaintiff's proposed September 24 date works and where the deposition will take place. I will contact you as soon as I know.

Likewise, Regal is working on your 5-page, single-spaced email re Regal's purported discovery deficiencies and will contact you when we are ready to discuss. Thank you, Anne.
